December Celebrations

December was a month filled with festivity and merriment! Each Tuesday we had a candle lighting and advent reading in the dining rooms which reminded us of the reason for the season. The big event of the month was our Christmas Banquet where almost 300 people, residents and their families, gathered in the Grand Hall for a traditional Christmas meal and service which included music from The Porter family and Karen McKenna. The service included a time for sharing where some residents and guests shared memories of Christmas past to show what Christmas means to them. We had many games and trivia activities related to the holidays like Christmas Family Feud, Name that Christmas Carol, and Christmas Time Trivia. Christmas always brings with it rooms filled with song, and this year was no different as we hosted North Hatley Elementary School for some delightful carolling and piano playing, as well as a group from Hope Community Church who caroled through our halls one Saturday evening spreading cheer. We cozied up one afternoon with a nostalgic Christmas movie, *Miracle on 34th street*, which brought back beautiful memories of Christmas past. Just before Christmas we had a visit with Santa himself as he delivered cards made by North Hatley Elementary students, Christmas cookies, and hot cocoa to each of our 121 residents. To finish off the year we will be having our New Year's Eve party where we look back at the past year, dream of the year to come, and we will throw in a bit of 1920's trivia to remind us where we were 100 years ago! Grace Village would like to wish a Merry Christmas and Happy New Year to all our friends and family!

January Beginnings

January first is not only beginning of a new year, but a new decade for us all! We are excited to say that we have many exciting plans for the coming year to keep us all busy. After celebrating the new year together, we will head right into January with many activities and events to look forward to. Beginning of the month, join us in the Bistro for a Rwandan Tea with Sandy as she shares information about a project that is close to her heart! We will be having a Hand Spa Morning with hand massages and manicures this month, as well as many games like Proverbs Guessing Game, Price is Right – Real Estate Edition, Cover the Dice Number Game, and Wheel of Fortune. We will welcome back the students from BCS after their Christmas break for our bi-weekly Bridges Program, as well as a few students from the Champlain Special Care Counselling program and one student from the Bishop's Psychology Program who will be spending time with us and working with the Recreation & Leisure Department for the coming months. Make sure to pull out your favourite hat for National Hat Day where we will all show off our hats at lunch. January will be a great month of freshness and newness as we take down the Christmas decorations and enjoy the newness of the white snow in the gardens. Happy January everyone!
